

VENDOR INQUIRY

Cleveland Cliffs has updated our web-based vendor inquiry site to allow our valued business partners to search for invoices defined as "In-Process."

Invoices "In-Process" are now searchable and consist of submissions sent to Cleveland Cliffs Accounts Payable and are actively being reviewed by the appropriate personnel. Upon processing completion, the invoice will transition to a status of "Un Paid" and ultimately "Paid" once the disbursement is generated.

When using the filter drop down, "In-Process" invoices will be listed under "IN PROCESS" or "ALL."

The Vendor Inquiry system, in addition to providing a mechanism to send an inquiry to Accounts Payable, gives you the ability to search for invoice information:

- 1. By invoice number (exclude punctuation or special characters when searching)
- 2. By purchase order
- 3. Add filtering criteria such as paid/unpaid status, or specific payment number.
- 4. Obtain invoice data for two rolling calendar years (ex. March 2016 to March 2018)
- 5. Provide a method to send an inquiry to Accounts Payable if more information is needed.
- 6. Export information to excel.

Be reminded that invoices are paid based on the terms of your purchase order and Cleveland Cliffs Steel, LLC generates payments every Monday for all ACH and Check vendors.
